Prepared and presented Longevity Awards to members celebrating 25, 50, 55, or 60 years in DKG.

Prepared and presented Order of the Rose and Rosette Chapter Awards to the chapters who met the criteria.

Prepared articles for the 2023 Summer Trail listing all the Longevity, Chapter, and State Awards earned for the year.

Wrote an article for The Trail to share with Presidents how to plan their strategy and activities to win a Chapter Award in 2024. It also included the due date for the award's form and to whom to send it.

Wrote a reminder article for The Trail about the three Service Awards. We listed what the categories were and when nomination forms were due.

Ordered the Service Awards' charms, took delivery on them, and prepared them for presentation.

In March, we collected and compiled the Chapter Award Forms and Longevity information. The awards will be prepared and presented at the 2024 Conference.

We will read and score the nomination forms for the State Service Awards. Winners will be announced in May at the 2024 Conference.
