

DKG Oregon State Virtual Conference

May 17-19, 2024

State Finance Committee Annual Report

The Finance committee met in March. Included in our discussions was a proposed budget for the next biennium. The proposed budget will be sent to the Executive Board for adjustment or approval then presented at the State Convention in May at Klamath Falls. Statewide we are down in membership, so the proposed budget has been adjusted to accommodate for the decrease in revenue.

The scholarship and grant funds have been well invested and have not decreased but continue to grow. All are encouraged to apply for a scholarship as many opportunities exist to further education and/or other adventures. Scholarship money is there for DKG members only. The grant money is for nonmembers and our collegiate group. There is a great deal of money available that needs to be used.

Respectfully submitted Laurie Graves Finance Committee Chair

Feel free to fix or adjust anything that needs fixing
