

DKG Oregon State Virtual Conference

April 23 - 24, 2021

The Unique Boutique Annual Report

Our mission is to support our sisters in their growth in DKG through the Boutique Treasure Stipend*. The Boutique's profits sponsor the Boutique Treasure Stipend. The Boutique Treasure Stipend application is available on the OSO DKG website (Scholarships) or by sending an email request to cthurberbrown@gmail.com This past year we had three applicants for the 2020 Convention, and we are holding onto them until we can again have a conference/convention in person.

Like everyone else, this year has been a "hurry-up, get ready, oh never mind, it's been cancelled" year for the Boutique Committee. We found some new, fun inventory, for last April's Convention that we were eager to sell. Then we were looking forward to being at the PCC Luncheon in November, so now we are gearing up for the April 23-24 and our Virtual Conference. The Boutique will have a virtual showing on Friday evening.

During this past year we had a change in our committee duties; we no longer have a separate member for finances. We now work directly with the state treasurer, which makes for a more streamlined process.

Due to price increases on materials and shipping, we have had to raise the cost of the **Ribbon Name Badges** to \$20 for individual sales. **But do we have a deal for you!** If at **least 5 people go together on a Group Order, and all the badges are mailed in one package**, the savings on postage allows us to offer them at \$15 each. Great time to update your name badge from Alpha Rho State to OSO!

The order form is available on the OSO DKG website (Resources – Other Resources), or email cthurberbrown@gmail.com to have one sent to you.

Our plans for this upcoming year include creating a website for the Boutique that will be linked to the OSO DKG website. I am also happy to introduce our new committee member, Dr. Wendy Hacke, Beta Beta. Her experience with the California Chapter's store will be helpful.
