### 2024 Vice President's Annual Report

Wendy Hacke, the OSO Vice-President and Chair of the State Membership and Expansion Committee supported the President in planning OSO Executive Board Meetings, Prez to Prez Meetings, and Leadership Meetings during the first half of the biennium. She also worked with the State Membership and Expansion Committee to create a strategic plan for increasing membership and ensuring the sustainability of the Oregon State Organization through supporting the retention, recruitment and revitalization of the Chapters that are the heart of the Oregon State Organization.

She also visited with PSI chapter President, [Judy Forsberg](#) and then the Chapter via zoom to support their strategic planning. Two other chapters she visited in person were Alpha Epsilon and Lambda. Alpha Epsilon hosted her at a fall meeting where she got to meet their new member and learn more about the Dolly Parton Library. Lambda hosted her at their annual holiday party where there was food, fun and games. Hopefully more Chapters will host a visit in the second half of the biennium.

Finally, Wendy has been working collaboratively with Barb Clausen in Washington and Daphne Cagle in California to present at the Spring Conference in Klamath Falls. The mentoring of Daphne and Barb have helped her grow as a DKG sister and leader in the state. They will continue to meet over the summer to help her plan for the second half of the biennium.
